10. **Do not open the Insured Product as resulting damage is not covered by this Certificate. Only We, the Manufacturer, or an authorized servicer approved by Us should perform service on the Insured Product.**
11. You are responsible to protect the Insured Product from further damage and comply with the manufacturer's permitted and intended use.

HOW TO FILE A CLAIM AND REQUEST SUPPORT

All claims for service must be reported as soon as reasonably possible. This Certificate covers only those claims reported within ninety (90) days of the date of the Loss.

We may subcontract or assign delivery for elements of Our obligations under this Certificate to third parties, including the Manufacturer, when applicable; however, this does not relieve Us of Our obligations under this Certificate.

To file a claim or request support, visit Us at www.mymetroclaim.com or contact Us at 1-800-316-2075. We will assist You to diagnose any technical difficulties that may exist with Your Insured Product. To the extent that Our diagnosis confirms a covered Loss, We will process Your claim and arrange for a repair or replacement service as defined below.

We will use new, refurbished, or recertified parts or replacements for any hardware benefit under this Certificate that is of like kind and quality to the Insured Product.

REPAIR OPTIONS

Should We choose to repair Your Insured Product, We will setup service with an authorized servicer/repair center determined by Us based on Your location, the Insured Product's equipment type, and service purchased. Our repair options include:

1. If We determine that the Insured Product requires in-home/on-site service, We will repair the Insured Product at Your location where available. An adult (of legal age) must be present at the time of repair. Should We determine during the repair visit that We need to repair Your Insured Product elsewhere, We will transport it to and from Our repair center.
2. If the Insured Product qualifies for carry-in service, We either will setup a claim for the repair to be performed at an authorized repair center of Our choosing or arrange for You to take the Insured Product for service and reimburse to You the cost for the repair (with applicable receipt) up to the Maximum Coverage Per Claim. You must contact Us to receive a repair authorization prior to service. You may be responsible for transporting the Insured Product to/from the repair center and assume any corresponding cost.
3. If We determine that the Insured Product is eligible for mail-in service, We will send You a prepaid shipping label (and, if needed, packaging material) to ship the Insured Product to an authorized repair center according to the instructions provided by Us. Once service is complete, We will return the Insured Product to You.

REPLACEMENT OPTIONS

Should We choose to replace the failed or damaged Insured Product because either We are unable to repair it, or the repair cost exceeds the current retail replacement value of Your Insured Product, We, at Our option, will either:

1. Replace the Insured Product with a new, refurbished, or recertified device that is of like kind and quality to the Insured Product. While We will try to accommodate specific replacement preferences, this request is not guaranteed. The price of the replacement device will not exceed the Maximum Coverage Per Claim;
2. Issue a cash credit equal to the value of the replacement device, not to exceed the Maximum Coverage Per Claim. The cash credit, with Your authorization, will be deposited in Your account with the Policyholder to pay the balance due on the claimed device or may be used by You toward the purchase of any eligible replacement device of Your choice or used to upgrade to another device; or
3. Provide a settlement equal to the value of the replacement device, not to exceed the Maximum Coverage Per Claim.

For advanced replacement, We may require a credit card authorization or other method as security for the retail price of

the replacement device plus applicable shipping costs. We will ship a replacement device to You with setup instructions and directions to return the claimed device, when required. If You return the claimed device as instructed, We will cancel the credit card authorization. If You fail to return the claimed device as instructed or return a claimed device or part that is ineligible for coverage, We will charge the credit card for the authorized amount.

If You are not able to provide a credit card authorization when required, this advanced replacement option may not be available, and We will offer to You an alternative service option.

When You receive either the replacement device, cash credit, or settlement, the damaged device becomes Our property should We choose to take possession at Our sole discretion.

You may be responsible for transporting Your claimed device to Us and assume any subsequent travel or shipping costs such as express or expedited shipping, or any reshipping expenses.

We reserve the right to change the method by which We provide repair or replacement service to You, as well as an Insured Product's eligibility to receive a particular method of service.

LIMITS OF LIABILITY

A Maximum Coverage Per Claim is the lesser of the replacement value of the Insured Product or the original Insured Product purchase price, less any applicable deductible, that applies to each device repair or replacement ("Maximum Coverage Per Claim").

In addition, the following maximum limits apply:

The maximum number of repairs or replacements under this Certificate is two (2) during any rolling twelve (12) month period beginning with the date of the first repair or replacement. No further repairs or replacements will be provided. The second (2nd) replacement shall constitute fulfillment of Our obligations under this Certificate and Your coverage will cancel.

TERRITORY

The service options and deductibles listed herein for Insured Product repairs or replacements are available for claim events within the United States. Claim events that occur outside the United States or its territories must be reported and processed in the United States.

Service will be limited to those options available (if any) from Us in the country where You request it. Service options, parts availability, response times, and costs may vary according to country. In addition, We may repair or replace the Insured Product or its parts with a comparable device or parts that comply with the local standards of the countries where You request service.

If service is not available in the country where You request it, You are responsible for complying with all applicable import and export laws and regulations.

ARBITRATION

Read the following arbitration provision carefully. It limits certain rights, including Your right to obtain relief or damages through court action.

To begin Arbitration, either You or We must make a written demand to the other party for arbitration. The Arbitration will take place before a single arbitrator. It will be administered in keeping with the Expedited Procedures of the Consumer Arbitration Rules (“Rules”) of the American Arbitration Association (“AAA”) in effect when the claim is filed. You may get a copy of these AAA’s Rules by contacting AAA at 1633 Broadway, 10th Floor, New York, NY 10019 or visiting www.adr.org. We will advance to you all or part of the fees of the AAA and of the arbitrator. Unless You and We agree otherwise, the arbitration will take place in the county and state where You

live. The Federal Arbitration Act, 9 U.S.C. § 1, et seq., will govern and no state, local or other arbitration law will apply. YOU AGREE AND UNDERSTAND THAT this arbitration provision means that You give up Your right to go to court on any claim covered by this provision. You also agree that any arbitration proceeding will only consider Your Claims. Claims by, or on behalf of, other individuals will not be arbitrated in any proceeding that is considering Your Claims. Please refer to the State Disclosures section of this Contract for any added requirements in Your state. In the event this Arbitration provision is not approved by the appropriate state regulatory agency, and/or is stricken, severed, or otherwise deemed unenforceable by a court of competent jurisdiction, You and We specifically agree to waive and forever give up the right to a trial by jury. Instead, in the event any litigation arises between You and Us, any such lawsuit will be tried before a judge, and a jury will not be impaneled or struck.

Provisions vary by state. Please refer to your coverage documents for state-specific information
