#### **Claim limits**

All marks associated with the devices listed herein are the property of their respective owners.

Please note: As your device depreciates, or if you buy a new device that's classified in another tier, your monthly cost and service fee/deductible for your new tier may be adjusted accordingly.

<sup>\*</sup> There's a maximum of two approved all other accidental damage or loss and theft claims within a 12-month period based on the date of the first repair or replacement with a maximum coverage per claim, which is the lesser of the replacement device or the purchase price of the claimed device, minus your deductible.

<sup>†</sup> The \$29 service fee for screen-only repair applies when service is provided through an Assurant-authorized repair center when and where repair service is available; otherwise, a replacement is available for \$99 for Apple iPhone and \$199 for Android devices.
